Mary Pat Carr (SWSC Representative) held the meeting over Zoom at 3:20 p.m.

MPC met with the principals of SWSC schools on Thursday, August 27, 2020. Students will be allowed to compete at their home school.

MPC: How do schools feel about hosting their own contest? What about the September 23rd date?

Discussion including Lockport and Bolingbrook would not want to start with the September 23rd contest. Then what do we do with SWSC I questions?

TB – Use as a practice contest to give on our own.

Discussion about orals. Check with your school district about having permission to record students and share that recording with a judge, especially a judge from another school district.

When we return to competition in October, do we stick to the time schedule?

EJ – No. And do not go crazy being competitive. This is about letting the students do math.

MPC – When should we meet next?

Discussion: Pay attention to any problems that come up when you give the practice contest in September. Look for logistical problems we have not thought of yet, put them in a proposal, and email them to the group before we meet on October 6.

We have a tentative meeting planned for Tuesday, October 6 at 3:15, to discuss moving forward.

Caryn will contact Jackie (Statistician) and Jeff Noble (Question writer) to ask for the SWSC I contest questions.

Meeting ended 3:53.
