Stagg

DISCUSSION ABOUT CONTEST 1

LOCKPORT : When splitting rooms judges should be reminded to double grade the papers. Please make sure this is clear at the judges meeting. Possible suggestions; splitting folders ahead of time, using a blank seating chart.

LWE: No major issues to report. Students were all seated 3 feet apart. Plenty of space in the alternate room.

LWC: Introduced the possibility of pre-making/sharing seating charts.

ANDREW: Suggested taking a picture of your own homerooms so it would be easier to contact trace.

BRADLEY: Announced that all Contestants will be in one room with seats 3 feet apart.

STAGG: Suggested respectfully that all answers to the contact tracing issues should come from administration.

OVER ALL CONSENSUS : Mask up and make a seating chart.

LWC : President closed the meeting 3:45.
