Spring meeting minutes approved

Pros and cons of having all 9 orals at the same site

MPC - Athletics and activities will be the same. 9-school single division.

Timing/schedule of SWSC 5 - suggested that the current president hosts 9-school SWSC 5

Rotation of officers -

24-25 Lockport president next year, Stagg
25-26 Stagg, HF
26-27 HF, Bradley
27-28 Bradley

Updates from Jeff - looked at restrictions for next year, consider making recurrence relations more exciting
Uses 6 to 8 graders in a grading room + a runner for Conferences

Up to 54 kids x 4 topics = 216 papers... maybe too much for one grading room

Theresa Graben - figure out folders, will likely still do 2 folders for the 9-school SWSC 5

President and secretary work together to create site schedules, wait for MPC email, need to know dates

Meets move 5 days later from this year's schedule

Brian Mulford question - presenters are not allowed to use the packet while presenting, please include in oral judges directions sheet, Eric Johnson confirms only one presenter as well

Betsy Vandenberg shoutout to retirees! - Mark Hampton and Tracey

Motion to adjourn - Stagg, HF seconds
